

MODULAR EXTERNAL FIXATOR SYSTEM

For Common Use

Product Features

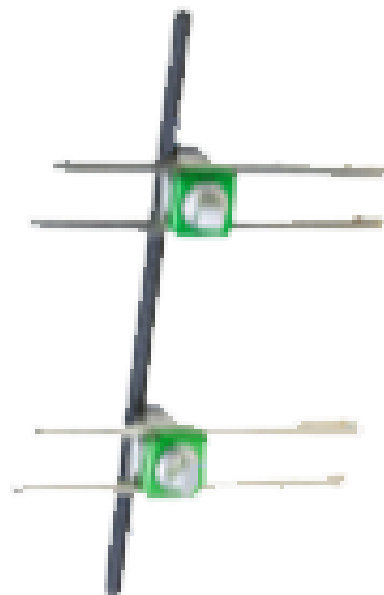

- With the characteristic of advanced technology and convenient usage.
- Make the frame compactly.
- Simple and effective usage.
- Less tools, effectively reduce the space occupancy.
- Simple structure, so that doctors can get more freedom.

MODEL- EXFIX XV

Modular External Fixator System (For Common Use)-Smart Mini System-Type I

REF	SIZE
MOI 15553001	Rod to rod coupling
MOI 15553002	Pin to rod coupling
MOI 15553003	Inverted pin to rod coupling
MOI 15553004	Double pin to rod coupling
MOI 15553005	Inverted double pin to rod coupling
MOI 15553006	2 hole pin clamp
MOI 15553007	Straight post
MOI 15553008	Connecting rod $\varphi 3 \times 50$
MOI 15553009	Connecting rod $\varphi 3 \times 100$
MOI 15553010	Connecting rod $\varphi 3 \times 150$

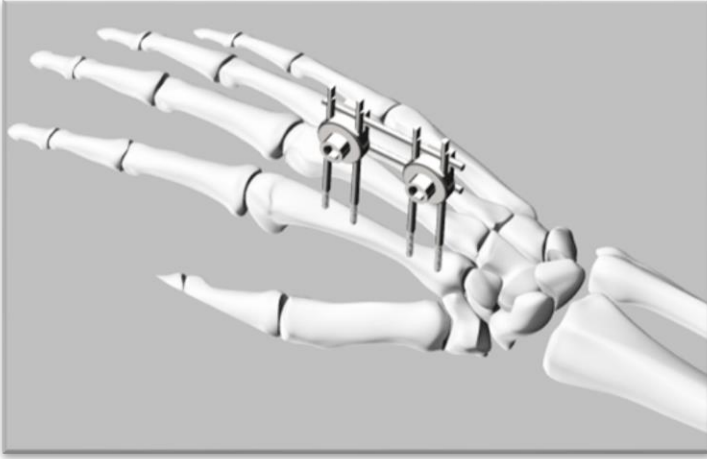

MODEL- EXFIX XV

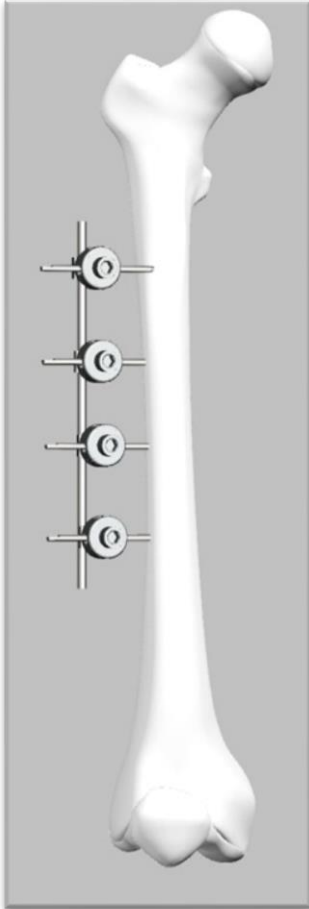

Modular External Fixator System (For Common Use)-Type II

REF	SIZE/DESCRIPTION	IMAGE
MOI 15045845	Pin to Rod Coupling $\Phi 8 \times 4-5$ mm	
MOI 15047088	Rod to Rod Coupling $\Phi 8 \times 8$ mm	
MOI 15046823	Mini-fixator $\Phi 8 \times 2-3$ mm	
MOI 15323008	Curved Connecting Rod $\Phi 8$ mm	
MOI 15059008	Semi-circular Connecting Rod $\Phi 8$ mm	
MOI 15321008	Trapezoidal Curved Connecting Rod $\Phi 8$ mm	

Recommended Frame Configurations

DESCRIPTION	REF	QTY
Mini-fixator	MOI 15046823	1
Standard Bone Screws	MOI 15413060	4
Used for: Finger, Palm		

DESCRIPTION	REF	QTY
Pin to Rod Coupling	MOI 15045845	4
Connecting Rod	MOI 15339250	1
Standard Bone Screws	MOI 15417130	4
Used for : Femur, Tibia
